

HOLIDAY HOME WORK (2023- 2024)

CLASS – VI

It's Summer Time. Holidays Have Begun. Sleep On Time. And Have Lots Of Fun

Summer vacations are meant for fun and full of enjoyment with family and friends. It's time for children to play, enjoy, relax and re-energise. It's a blend of fun, frolic, studies, explanation and completing tasks. And holidays supposed to make you more responsible kids. So, you are going to take up certain responsibilities and also enjoy your holidays with your family members. We have planned different activities for children to enrich the learning experience to make them aware of their surroundings and to enhance their overall development.

REMEMBER:-

- Converse in English at home regularly.
- Invest your time in learning new things to nurture and groom yourself.
- Engage yourself in managing the small household work and help your mother.
- “Mobile are distracting” utilize your time to play your favourite game/sport. Keep a check and lessen your screen time.
- Try to start your day with some light exercises/yoga.
- Remember the magical words ... Please..., Sorry... Thankyou. Make these a part of your personality.
- Save nature and inculcate the habit of conserving the resources like water, fuel and electricity.
- Avoid junk food, eat healthy and drink lot of water and juices.
- Keep water in earthen pots for the birds.
